SVR General Order 2017-01

1. A question was posed to the SVR Adjutant General regarding the admission of Juniors and Junior Associates to the Sons of Veterans Reserve as the current SVR Regulations does not fully address this issue.
2. This SVR General Order is issued to clarify this situation. Juniors and Junior Associates are permitted as members of the Sons of Veterans Reserve. They are admitted under the same provisions as within the SUVCW regarding the monitoring of minors. In addition to those conditions they are not permitted to fire weapons.
3. There is no requirement for the Juniors/Junior Associates to pay dues.
